AZ CORP COMMISSION
 DOCKET CONTROL

IN THE MATTER OF THE APPLICATION OF
 SILVERWELL SERVICE CORPORATION
 FOR AN INCREASE IN RATES.

DOCKET NO. W-01979A-02-0900

PROCEDURAL ORDER**BY THE COMMISSION:**

On December 12, 2002, Silverwell Service Corporation (“Silverwell”) filed an application with the Arizona Corporation Commission (“Commission”) for a permanent rate increase.

On August 13, 2003, the Commission issued Decision No. 66175, approving Silverwell’s application for a permanent increase in its rates. Decision No. 66175 required, along with other conditions, that Silverwell annually file its water loss reports for at least three years and until its non-account water loss was less than 10 percent.

On June 23, 2008, Silverwell docketed a letter which included Silverwell’s Water Use Data Sheets for the years 2006 and 2007. According to the docketed letter, the Water Use Data Sheets show Silverwell had a non-account water loss for both years of less than 10 percent. The letter further states that Silverwell believes it has satisfied the requirement set forth in Decision No. 66175 requiring the annual filing of the Water Use Data Sheets and requests that the Commission “close” the provision.

Staff should update this docket with a status of compliance.
